WORK EXPERIENCE

Geletka+

Graphic Designer

June 2024 – Present

Chicago, IL (Hybrid)

Art direction and design across brand, digital, social, video, and paid media from concept through final delivery. Collaborate with copywriters, strategists, and developers to create work that supports multi-channel campaigns and client goals.

SELECTED PROJECTS

<u>It's That Simple Pasta</u>	<u>Lovet: Vet Care Campaign</u>	<u>Geletka+ Brand Refresh</u>
Packaging design and social content	Brand campaign and social content	Brand identity and visual system

- Produced 30+ video assets for a multi-market paid media dental implants campaign generating 1M+ impressions, 700+ leads, and a 7%+ conversion rate.
- Created brand assets for organic and paid social, web, and video across multiple client accounts.
- Designed motion graphics and web layout systems in collaboration with internal teams.
- Partnered with developers using Figma (auto layout) to support responsive web and email design, and translated motion graphics into web-ready Lottie animations.
- Mentored interns and introduced new workflows to improve production speed.

Self-Employed

Freelance Designer

July 2023 – Present

Chicago, IL (Hybrid)

Create custom illustrations and brand identities for small businesses and independent clients, from concept through final production.

- Commissioned to draw portraits and illustrations, ranging from small to poster-sized.
- Provided branding and design for a startup coffee brand, developing the logo and packaging that was finalized for production and commercial use.
- Created digital illustrations and graphics for a variety of clients, including social content, merchandise, and print materials.
- Managed the full design process from initial concept to final delivery, including client communication, revisions, and file preparation.
